

Additional Services

TLC Time #TLCTIME - This is counselor interactive

If you'd like your pup to have some extra human time at camp, add on our TLC service for additional leash walks, fetch, office hang-out time and serious butt scratches! HUMAN INTERACTION AND LOVE

Puzzle of the Day #Puzzleoftheday - This is object interactive

We'll spend one-on-one time with your pup and one of our many interactive puzzles! Dogs who use their brains are happy dogs :)

Kong of the Day #Kongoftheday

If your pup goes bonkers for a stuffed kong, add on a tasty treat to keep them occupied at nap time! Allergies? We'll use the primary protein in your pup's food!

Mind Yer Manners! (MYM)

If your pup gets over excited and forgets her manners, or you'd just like to reinforce what she already knows, our MYM program is a great way to ensure she keeps up her skills! MYM is a positive reinforcement program that is a win-win-win for everyone. It's a win for the dogs to help lower their excitement level and help bond with our counselors, it's a win for the dogs who LOVE to learn, work, and earn rewards, and it's a win for pet parents because their dogs arrive home with all the skills they left with - and then some! Helps pups keep their "training brain" turned on during their stay, while still experiencing all the joys of camp!

Pick-a-Trick

Your pup can work with our experienced trainers on a variety of standard tricks on an a la carte basis. Add as many sessions as you'd like to your dog's reservation, with a minimum of 5! Subject to training availability.
